

# CUPCAKE WARS

Here is how we do this one:

Our cupcake wars is one of our most popular Birthday Party Themes.

Here is how we make it a real challenge (friendly) for our Aspiring Chefs.

The Chef Instructor divides your party into 2 or 3 teams depending on the amount of people.

Each team is assigned the Cupcake and Frosting flavor they will make and be provided with the recipe, ingredients and the Mise en Place.

Each team will bake a batch of cupcakes (12 per team), decorate them and then present them to the Judge (chef instructor or parents/or both).

Once the winners in each category are chosen, we sing Happy Birthday and enjoy our Cupcakes (enough for everyone to try each other's).

The teams will be judged on presentation, taste and texture by the Chef Instructor or the Judges Team (can consist of 1, 3 or 5 people total) as the Host chooses.

The drink for the party is made as a Team at the beginning of the party to enjoy together with the cupcakes.

Select three flavors from each column: **Cake, Frosting, Toppings**. All Frosting Flavors made from scratch. **(SEE DRINK LINK AT BOTTOM)**
